

GAETA RESORT

Tourism

Gaeta 's sitting on the side of the Mountaine Orlando, it was, in the past, a maritime republic and a place of vacation of the ancient Romans. The seaside resort is in the middle Tyrrhenian, with a temperate climate and tourist facilities; there are also offers for nautical tourism. The ancient medieval Gaeta is characterized by narrow streets.

General Information

Gaeta resort, in Punta Stendardo, comprises of 2 (two) small accommodations of 5-bed. Each apartment has a living-room with two sofa-bed, a kitchen, a bedroom with a king-size bed, and bathroom with shower. At five minute from the stay there is the Serapo beach for Civilian personnel of Navy.

How To Arrive

by car riding up the high way A1 exit Cassino, towards Formia.

To visit

The Swabian castle, with Norman bell towers. The ancient S. Erasmo's neighborhood, full of churches, such as: the Cathedral (with attached museum), SS. Annunziata, S. Giovanni a mare, Sorresca, etc.

From Serapo, you can access the "Regional Urban Park of Monte Orlando", a promontory with cliff overhangs, which offers to the visitors a variety of all nature views across the Gulf area; another place to see is the sanctuary of the SS. Trinity, which is located in one of the three slits that characterize the southern slope of Monte Orlando, called Split Mountain.

Local cuisine

To recommend typical seaside food, the famous olive of Gaeta with vinous flavor, and the Tiella a typical pizza with little octopuses.
