

# CAMIGLIATELLO SILANO RESORT

## Tourism

Camigliatello is located in the National park of the Sila (Calabria).

*In winter the ski resort of Camigliatello is served by the modern comfortable and fast cableway Monte Curcio, which gives access to two alpine ski slopes that run for about six miles and which are suitable both for beginners or for experienced skiers. The entire surrounding area offers a variety of alternatives thanks to several hiking itineraries, these can be practiced either on foot with snowshoes or ski mountaineering equipment.*

## General Information

Camigliatello Silano resort is surrounded by greenery and offers a multitude of events. Guests will find in it a reception, restaurant, lounge bar with sitting area, TV and library, living room with table game tables, Nintendo Wii console, reading rooms. In summer, the residence makes available, in addition to normal services, to take advantage of soccer fields and bocce, outdoor solarium with veranda and ping-pong tables, game room, pinball table and playground for children.

## To visit

- The National Park of the Sila;
- Lake Cecita.

## Local cuisine

To recommend Soppressata a typical cold cut (salame) made with pork meat tanned with salt, pepper and chilli.

Nduja is perhaps the flag of the cold cuts of Calabria, the most typical, the most sanguine, the hottest, fiery and irresistible. Chinulille Calabrian panzerotti stuffed with cream, "chinulille", and that of the filled pie, "Durmituri al sugo picante": snails with very spicy tomato sauce.
