Gen. S.A. (ris.) Giovanni FANTUZZI

OCCUPAZIONE

In qualità di Direttore del CESMA, guida ricerche e studi su questioni aeronautiche e spaziali, di natura militare e duale, nei loro aspetti politici, dottrinali, operativi e tecnici, sia a livello nazionale che internazionale. Sviluppa il pensiero militare aerospaziale in relazione al continuo progresso tecnologico dei sistemi che consentono lo sfruttamento umano dello spazio in modo multidisciplinare.

Stimola la sensibilità della società civile, creando sinergie tra mondo militare, accademico, industriale e politico, promuovendo la creazione e la diffusione di studi e informazioni, sia attraverso pubblicazioni cartacee che canali multimediali.

Un ulteriore compito è quello di promuovere attività tecnico-scientifiche su temi aeronautici e spaziali, partecipando attivamente al dibattito nazionale e internazionale.

Lt. Gen. (r)

Giovanni FANTUZZI

Director of the Center for Military Aerospace Studies «Giulio Douhet»

Current Assignment

As CESMA Director leads research and studies on aeronautical and space matters, of a military and dual nature, in their political, doctrinal, operational and technical aspects, both nationally and internationally. He develops aerospace military thinking in relation to the continuous technological progress of the systems that allow human exploitation of aerospace in multidisciplinary manner.

He stimulates the sensitivity of civil society, creating synergies between the military, academia, industrial and political worlds, promoting the creation and dissemination of studies and information, both through paper publications and multimedia channels.

An additional task is to promote technical-scientific activities on aeronautical and space issues, actively participating in the national and international debate.
