

Jean-Marie Reure

PhD Researcher, Security and Strategic Studies

About Me

Analyst with a cross-national background and experience in European strategic affairs, defence policy, and conflict dynamics. I work at the intersection of political analysis, international security, and governance.

Core skills

Strategic Analysis

- Risk & Trend Assessment
- Scenario Development & Foresight
- Decision-Support & Analytical
- Reporting
- Civil–Military & Multinational
- Coordination

Professional experience

Visiting Researcher - IRSEM 2025 - 2026

Institut de Recherche Stratégique de l'École Militaire (Paris)

Strategic analysis and defence policy research within the French MoD ecosystem; exposure to civil–military environments and European defence governance.

Visiting Researcher - CASD 2025

Centro Alti Studi della Difesa (Rome)

Defence governance, scenario development, and teaching activities in an Italian MoD context, engaging with senior military and institutional stakeholders

PhD Researcher - Security and Strategic Studies

2023-2026

Security, Risk and Vulnerability program, University of Genoa (Italy)

Researches European defence governance and military assistance policies, analysing security trends and institutional learning within armed forces. Work includes comparative research, and engagement with defence institutions.

2021-2023

Contributing Analyst — InsideOver

InsideOver, Milano (Italy)

Produced analytical articles on defence and international security, transforming research and open-source data into clear, structured assessments of complex geopolitical developments for a broad, international readership.

Research assistant - PRIF/HFSK

2021-2022

Peace Research Institute of Frankfurt (Germany)

Collected, organised, and analysed structured data on conflict environments, contributing to comparative assessments of conflict dynamics within a leading European peace and security institute.

Other research activities & projects

2022-2026

Centro Einstein di Studi Internazionali, Istituto Salvemini, Polo del '900

Managed educational and internship initiatives, developing training sessions and delivering seminar-based insights while coordinating research activities across teams and projects.
